

# I Don't Know

Aaradhna

I don't know  
I don't know  
I don't know  
I don't know

I thought that if I gave this world my heart  
It would show  
Still I don't know  
Still I don't know  
People say I'm moving too fast  
Moving too slow  
You're just too young  
You're just too old  
But they're just like me  
They don't know

I don't know (where do we go)  
I don't know (where do we go)  
I don't know (what do you know)  
I don't know (tell me what do you know)

I'm choosing visions  
That work for my reasons  
Yet still  
I don't know  
I don't know  
People say I'm moving too fast  
Moving too slow  
You're just too young  
You're just too old  
But they're just like me  
They don't know

I don't know (where do we go)  
I don't know (what will we know)  
I don't know (what do you know)  
I don't know (tell me what do you know)
