

# I'm The One For You

Aaradhna

You don't make it easy to love you  
Some might say I'm a fool  
But I believe one day you'll find that  
I am the one for you

Love is thin, love is wide  
Love is more than one size  
Love is patient, love is kind  
And I will wait all my life  
Just to hear you say  
That you love  
That you love me  
And I won't say I'm a fool  
'Cause you believe that  
I am the one for you

Love is thin, love is wide

Love is more than one size  
Love is patient, love is kind  
And I will wait all my life  
Just to hear you say  
That you love me  
I won't feel like a fool  
'Cause you believe that  
I am the one for you

You don't make it easy to love you  
Some might say I'm a fool  
Well I believe one day you'll find that  
I am the one for you

I believe one day you'll find that  
I am the one for you
