

# Knowing You

Aaradhna

In this world of sorrow,  
And broken dreams,  
I found a place  
Here I can hide.  
In the depth of your charms,  
Is all I need to know  
'coz if I could spend my life with you

Knowing you so long  
I can neva let you go  
Things that we have done  
I will always love you so yeah  
All I need is you in my life,  
To make everything come true  
Hold me closer forever,  
I love you.

If I could spend my life forever in your arms, would yah let me baby.  
Lead me into your arms, and I'll be happy to hold you once again  
Again

Knowing you so long  
I can neva let you go  
Things that we have done  
I will always love you so yeah  
All I need is you in my life,  
To make everything come true  
Hold me closer forever,  
I love you

Baby neva let me go  
And I, will always love you so  
Baby neva let me go  
Hold me in your arms.  
Hold me in your arms

Knowing you so long  
I can neva let you go  
Things that we have done  
I will always love you so yeah  
All I need is you in my life,  
To make everything come true  
Hold me closer forever,  
I love you.

Knowing you so long  
I can neva let you go  
Things that we have done  
I will always love you so yeah  
All I need is you in my life,  
To make everything come true  
Hold me closer forever,  
I love you.
