

# Sweet Surrender

Aaradhna

Whoa oh, whoa oh  
Whoa oh, whoa oh

Sweet surrender, no one's holding back now  
Know it all and I'll put my guard down  
Lay underneath me, I'll bury it all for you  
And if you let me, I'll give you a chance

Sweet surrender, surrender  
Sweet surrender

Whoa oh, whoa oh  
Whoa oh, whoa oh

Sweet surrender, I'll give out the fire  
Who's to say I'm weak cause I'll put right outside  
Ego beneath me, won't you put above me  
Umm, I think it's time to give love a chance

Sweet (Oh oh) surrender, surrender  
Sweet (Sweet) surrender

Whoa oh, whoa oh  
Whoa oh, whoa oh

All of these layers, I will shed them for you  
I don't wanna hide anymore  
I just wanna let go like a

Sweet (Oh) surrender (Oh), surrender (Surrender)  
Sweet surrender

Sweet surrender, surrender  
Sweet surrender
