

# Talk Sweet To Me

Aaradhna

Baby talk sweet to me  
Blow my mind  
Make me feel good  
Deep down inside

Baby talk sweet to me  
Tell me you're mine  
If it feels right  
Then I'm yours tonight

Come sit beside me  
Look deep in my eyes  
With all of your heart  
Come speak your mind

Spent too many nights  
Alone in my bed  
But you're here tonight

Baby talk sweet to me  
Blow my mind  
Make me feel good

Deep down inside

Drowning in red wine  
Now you can confide  
In me all your thoughts  
You're trying to hide

Spent too many nights  
Alone in my bed  
But you're here tonight

Baby talk sweet to me  
Blow my mind  
Make me feel good  
Deep down inside

Baby talk sweet to me  
Tell me you're mine  
If it feels right  
Then I'm yours tonight
