So much water I'ma whole island (Ice, ice, baby)
Heart cold just like my diamonds (Ice, ice)
Bust down Rollie perfect timing (Ice, ice)

Police say, "freeze", but my diamonds doing that
Pussy piercing onna cat I spent a couple racks on it
Fat mama poking, see it when she approaching
Choke a chain, choke it, pull on it while I stroke it
Uh, she like, ice me out, uh

Ten figures, real nigga, shoulder chip getting bigger
One dolla', two dolla' three dolla
Milla' milla' what I spent on whips
Paid nigga not a slave nigga

Smile cost me thirty thousand (Ice, ice)
So much water I'ma whole island (Ice, ice)
Heart cold just like my diamonds (Ice, ice)
Bust down Rollie perfect timing (Ice, ice)

Always on the kicks, ice, ice, baby
Ice on my neck, ice on my wrist
Ice on my bitch, ice, ice baby
