

# Do You Remember

Aaron Carter

Ohhhohhhh Yeah

Ooooh

Oohohh

Remember we'd be up all night  
Talking 'til the morning light, yeah  
Like the way it used to be  
Those simple days  
Just you and me, mmmmm

I think baby I know  
What's on your mind  
Cuz you look like you've  
Got something to say

I may not say those words anymore  
But maybe it just ain't my way

You ask me do I love you but  
Do you remember  
Why I walked on water for you  
Do you remember  
My first steps on the moon  
Have you ever wondered why  
I gave three wishes to you  
You asked the question  
But the answer lies  
In you, in you  
The answer lies in you

Remember we used to laugh and say  
No one understood our way  
And there were times  
When you would cry  
And came knocking  
On my door  
And I was there  
To shelter your pain

I think baby you should  
Get that off your mind  
Make it seem like  
A brighter day

I may not say those words anymore  
But maybe I can make it my way

You ask me do I love you but  
Do you remember  
Why I walked on water for you  
Do you remember  
My first steps on the moon  
Have you ever wondered why  
I gave three wishes to you  
You asked the question  
But the answer lies  
In you, in you

The answer lies in you

The answer girl  
Lies within your heart  
Take a look inside

You ask me do I love you but  
Do you remember  
Why I walked on water for you  
Do you remember  
My first steps on the moon  
Have you ever wondered why  
I gave three wishes to you  
You asked the question  
But the answer lies  
In you, in you  
The answer lies in you

In you, in you  
The answer lies in you  
In you, in you  
The answer lies in you  
In you, in you  
The answer lies in you, yeah
