

Hard to LøVë

Aaron Carter

I wake her up before she wanna
She get the best from me
I put in work so she can't think that
It all comes easily

Always telling her something
Always rushing and running
If I make 'cause we doing nothing
I'll be blaming her loving
In the studio, busting
She be pushing my buttons
But it's better than nothing, yeah

No more problems, I can solve 'em
I know that I can stop 'em, I'll be real for once in my life
So for once in your life

I need you to relate, I need you to be patient
It ain't easy to deal with, baby, it's only because
I'm hard to love because I love too hard
Maybe, I'm hard to love because I love too hard
Maybe, I'm hard to love, hard to love
Maybe, I'm hard to love, hard to love

Hard to love

She wake me up before I wanna
She makes it hard to breathe
I put in work so she can think that
My love is luxury

Always telling her something
Always rushing and running
If I make 'cause we doing nothing
I'll be blaming her loving
In the studio, busting
She be pushing my buttons
But it's better than nothing, yeah

No more problems, I can solve 'em
I know that I can stop 'em, I'll be real for once in my life
So for once in your life

I need you to relate, I need you to be patient
It ain't easy to deal with, baby, it's only because
I'm hard to love because I love too hard
Maybe, I'm hard to love because I love too hard
Maybe, I'm hard to love, hard to love
Maybe, I'm hard to love, hard to love

Maybe, I'm hard to love because I love too hard
Maybe, I'm hard to love, hard to love
Maybe, I'm hard to love, hard to love
