

# One Better

Aaron Carter

Give me half the chance  
I'll make you understand  
That what I got to give  
Is so much more than this  
Than you'll ever know

I don't say what's on my mind  
But you'll find this out in time  
Don't always open up  
I'm not quick to trust  
And let someone inside

I've got a lot to learn  
Never felt this way before  
But I gotta say what's right for me

You should know that I can  
Be more than you will ever need  
I'll show you something new to see, yeah  
I'll be the one you can believe  
I'll be one better, Yeah  
I'll be one better

You've seen some falling stars  
You felt a broken heart  
Time is all it takes  
Learn from my mistakes  
Know exactly what you are  
But I can't hang on the side  
I've had enough of all these fights  
Gotta give to you  
Gotta get this through

Till you realize  
I've got a lot to learn  
Never felt this way before  
But I gotta say what's right for me

You should know that I can  
Be more than you will ever need  
I'll show you something new to see (yeah)  
I'll be the one you can believe  
I'll be one better, Yeah

I wont back down (No never, No never)  
You don't have to be alone  
Girl, Alone (Oooh, Ooh) No (Oh)

You should know that I can  
Be more than you will ever need  
I'll show you something new to see  
I'll be the one you can believe  
I'll be one better (Oh)  
(I'll be)  
I'll be one better (Oh)  
(I'll will)  
I'll be one better (Oh)
