

Screwed Up

Aaron Carter

No, yeah

I really don't know what to say, yeah
But baby, let me count the ways
Oh, I want to give it all to you
Got me doing things I never do
Now I'm doing things I never do

Tripping on the worst
Looking for the nerve, can't believe I'm sweating
When you come around head up in the clouds
Ooh, this must be heaven
You know what you do to me, you're running with my heart
And I can't even fight

I use to run things
But now you running a show
So many girls here that don't even come close
You got me
Babe, baby you got me
Babe, baby you got me
Screwed up

Hold up, still don't know what to say
But my eyes give it all away
Staring you up and down
And girl I'm so messed up now
Never thought I'd end up like this
Ooh, you got me

Tripping on the worst
Looking for the nerve and I can't believe I'm sweating
When you come around head up in the clouds
Ooh, this must be heaven
You know what you do to me, you're running with my heart
And I can't even fight

I use to run things
But now you running a show
So many girls here that don't even come close
You got me
Babe, baby you got me
Babe, baby you got me
Screwed up

You're make me say, oh
Oh, ooh
Oh, oh
Oh, ooh
You know what you do to me, you're running with my heart
And I can't even fight

I use to run things
But now you running a show
So many girls here that don't even come close
You got me
Babe, baby you got me

Babe, baby you got me
Screwed up

I use to run things
But now you running a show
So many girls here that don't even come close
You got me
Babe, baby you got me
Babe, baby you got me
Screwed up

Oh, ooh
Oh, oh
Oh, ooh
