

Wassup

Aaron Carter

Listen I wanna get a room in Miami
Better have a top fly condo in Miami
Lay back and get a little something for my lady
Cause I'ma have my style pimp'd up like I'm Jay-Z
Hate me, man I got better you, you understand me?
I'ma get you hooked on my gold hook, so Peter Pan me
So I can fly away, yeah we can fly today
So let me say wassup
And say hey, hey, hey, hey aye, babe, babe, babe

I'ma be their new star, fresh sneakers hands up in the air
Go to the club g'd up, babe like my swagger and like yeah
I'm rockin' with the right field
Look left or look right if they like me
So I'm like yeah, yeah, yeah, yeah
Yeah, yeah, yeah

So, so hold up (hold up)
And wait a minute (wait a minute)
I gotta know what you were thinkin' (thinkin')
So hold up (hold up)
And wait a second (wait a second)
Baby let me know what you're drinking

Cause we popping flavors in the club (that's right)
I gotta stay up, baby maybe I'd like to say wassup
So I'ma be like y'all know wassup
I'ma be like y'all know wassup
I got my phone in my hand, ladies in the stand
So shawty-shawty tell me wassup
Baby like y'all know wassup
I'ma be like y'all know wassup
Yeah, yeah

I'ma take you everywhere on my yacht
Baby, can I get a yeah
Lift my game up to the top, baby, I'ma fly up in the air
Look to my left, lean to my right
Bottles in the back, yup, everything's alright
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah

So, so hold up (hold up)
Wait a minute (wait a minute)
I gotta know what you were thinkin' (thinkin')
So hold up (hold up)
Wait a second (wait a second)
Baby, let me know what you're drinking

Cause we popping flavors in the club
I gotta stay up, baby baby I'd like to say wassup
I'd be like yo yo wassup
I'ma say yo yo wassup
I got my phone in my hand, ladies in the stand
So shawty-shawty tell me wassup
Baby like yo yo wassup
I'ma be like yo yo wassup

Yeah

Yo what I do, I know I got a thing for you
I'ma say what all the girls swear to God I'm the man for you
Where your friends at, yeah believe damn
Cause I don't want them all in my plans
I'ma take my chances to say what up, can I buy you a drink?
Girl I'm the new upscale hip-pop singer
Til I can rap, freestyle on my next single
I am single, shawty what you think?
I-I say what up so let me seal this as a plan

Cause we popping flavors in the club
I gotta stay up, baby baby I'd like to say wassup
I'd be like yo yo wassup
I'ma say yo yo wassup
I got my phone in my hand, ladies in the stand
So shawty-shawty tell me wassup
Baby like yo yo wassup
I'ma be like yo yo wassup

Ohh, ooh
Cause we popping flavors in the club
I gotta stay up, baby baby I'd like to say wassup
I'd be like yo yo wassup
Ima be like yo yo wassup
I got my phone in my hand, ladies in the stand
Shawty-shawty tell me wassup
Baby like yo yo wassup
I'ma be like yo yo wassup
