

## And 1

Aaron Cole

God got me I'm blessed  
I ain't even done I bet  
Out here chasing success  
I don't even count my checks

And 1

Ya'll worried bout who next  
I'm just putting in reps  
I ain't even done I bet  
I just made something upset

And 1

Right on time just hit a milli  
Wait nah.3  
That's 1.3 mil  
Shoot the shot point 3  
God never run dry  
Blessings stacked too high  
I know it's good but aye I  
Crossover great A.I  
I know it's coming ten fold  
Look how the tens fold  
I got a #1 song  
But And 1 that though  
And 2 that oh  
And 3 that flow  
And I'm bout to hit the road  
Moved out I'm on a roll  
My fam straight got no complaints  
I'm on the skates I'm in the rink  
I'm in the sync  
I tell the truth I'm Mr. Linc  
My diamond pink  
I'm going nasty kind of stink  
Sometimes I get down but then I know what's up  
I can never doubt cause He always always one me up

Grown man flow got me signed to Gotee  
I'm the baby face assassin I can't grow a gotee  
Better know get God on the phone  
We got more to do  
I go mean I'm gon' sing like it's James 1:17  
I know you feeling me baby I'm a addict  
I'm addicted to the winning He be passing  
They wanting me dead now  
He in me I can't die  
Tell em the bed mine  
Cause I make the headlines
