

BUSY

Aaron Cole

Yeah

You don't gotta worry if I'm gon' text you back, yeah
Every time I get a sense, I'm tryna be where you at, oh-
oh, oh, oh
Girl, you got me in a fast lane, whether it's a good or it's a
bad cage, uh
I'm on a plane, but I'm thinkin' 'bout one thing
That she is my

'Cause even though I'm busy, girl, yeah (Even though I'm busy,
girl, even though I'm busy, girl)
I still got time to miss you, girl, oh-woah-
oh, ooh (I got time, I got time)
'Cause even though I'm busy, girl, yeah (Even though I'm busy,
girl, even though I'm busy, girl)
I still got time to miss you, girl, oh-woah-
oh, ooh (I got time, I got time)

Ayy, girl, you know I got time today, wrist thick with the diam
ond face
Countin' down to see your smilin' face
Put my arms around your waist, all I'm thinkin' when I'm miles
away
Every time I close my eyes to pray
And every time I say goodbye
I wanna pick the phone back up and call you again
Same way I call you lover, I could call you a friend
'Cause there will never be another

Even though I'm busy, girl, yeah (Even though I'm busy, girl, e
ven though I'm busy, girl)
I still got time to miss you, girl, oh-woah-
oh, ooh (I got time, I got time)
'Cause even though I'm busy, girl, yeah (Even though I'm busy,
girl, even though I'm busy, girl, yeah)
I still got time to miss you, girl, oh-woah-
oh, ooh (I got time, I got time)
Even though I'm busy, girl, yeah (Even though I'm busy, girl, e
ven though I'm busy, girl)
I still got time to miss you, girl, oh-woah-
oh, ooh (I got time, I got time)
Girl, you know I got time today
