

Disappointed

Aaron Cole

You been so fake
You been on games
You wonder why you ain't on my IG on Wednesday
See I thought we had a deal
You said let's keep it real
But all that changed for real
When you told me just to chill
You a player how that feel?
Tell me what's your ordeal?
Took your boyfriend out your bio
You still kicking, how would I know?
Cause you telling me I'm fine though
And we was just chilling I was vital
But your telling me there's no title

Why you gotta say that?
Why you gotta do that?
Why you gotta be like?
Why you gotta be like that?
Got me so disappointed
This is so disappointing
But I know he'll hold me down
Got me so disappointed
This is so disappointing
But I know he'll hold me down for real tho

Now I don't know what to do
You call I stare at the phone
Tryna make myself at home
Without you but I'm alone
I bought you birthday gifts I never did that
I never caught these feeling I guess you did that
Who was here when you was crying and was bare?
If you think about it was me, I was there
But you giving me a L? Oh that's how you do?
Guess that's what I get for trusting in you
I should be focusing spending my time with God
He loves me unconditional, you love me sometimes
So tell me why you gotta?

Why you gotta say that?
Why you gotta do that?
Why you gotta be like?
Why you gotta be like that?
Got me so disappointed
This is so disappointing
But I know you hold me down
Got me so disappointed
This is so disappointing
But I know you hold me down for real tho

It's hard when people let you down
There's no one around
But I know he's got me now
He's holding me when my shoulder's weak
And I can't believe how they treating me
And I know you'll never leave

Why you gotta say that?
Why you gotta do that?
Why you gotta be like?
Why you gotta be like that?
Got me so disappointed
This is so disappointing
But I know you hold me down
Got me so disappointed
This is so disappointing
But I know you hold me down for real tho
