Girl tell me what we doing honestly  
Cause we both know we can't hide what we're feeling  
So let's get rid of all the commotion  
I'm just tryna show you I'm devoted  
You just got a way with my emotions  
Yeah you bad and you know it

Girl whenever you're away  
Got me feeling so strange  
To see you with someone else I would probably go insane  
He made us for each other so true  
So me and you is what we gon' do  
Cause you making me better, better  
So I ain't bout to let up, let up

Cause I don't wanna play with your heart no more  
I just want me and you exclusively  
Just want me and you exclusively, baby  
Cause I don't wanna play with your heart no more  
I just want me and you exclusively  
Just want me and you exclusively, exclusive  
Exclusively  
I just want me and you exclusively, exclusive  
Exclusively  
I just want me and you exclusively, exclusive

Need you to tell me am I tripping  
Tell me are you feeling what I'm feeling  
Tell me will you ride with me  
Promise you won't lie to me  
You're everything I prayed for  
Everything and way more  
I can't waste no time  
Will you just be mine  
Guess guess what I'm tryna say  
'Cause I'm just tryna make everyday like your birthday  
Tryna make you feel like you Beyonce  
Tryna make all your girls say you lucky  
I just know with you that I can't go wrong  
Top down yeah let me show you off  
Don't you know I'm here for you  
I'ma always keep it real with you

Cause I don't wanna play with your heart no more  
I just want me and you exclusively  
Just want me and you exclusively, baby  
Cause I don't wanna play with your heart no more  
I just want me and you exclusively
