Member when we had no money we just sang  
Sleeping in our cars and now we on to better things  
Yelling flashback think I need a time cap when I'm auntie told me get a job  
and quit rap  
Now she ask for tickets to my shows we moving past that  
God assisted the favor yea my God he had to Nash that  
Not by chance we persevered through all the obstacles  
Tom Brady has I had to hit that audible  
I'm glad I never gave up etc  
Glad I never gave up  
God blessed the boy all that hurting paid off  
Good out way my bad we living major  
Can't complain can't complain cause his grace is always greater

Came yea  
Through da pain yea  
Made a change yea  
Angels  
Kno my name yea  
Not da same yea  
Rewindq  
To da free time  
In da game yea  
Now my problems disappear-in David Blane yea-  
I was dealer. Stuck in a thriller. Runnin from billy jean  
Makin a movie. Look at a screen.This is my favorite scene  
Had ta go walk da longest yard I'm with da mean machine  
Livin da dream.thinkin bout my early teens yellin-  
Flashback, Yahweh done paid it all don't need no cash back  
Bad back, I'm on another wave. Already had dat  
Me and da bro. Used ta want all da smoke. Had ta go ash dat  
Now we movin past dattellem hashtag
