

## Forever Grateful

**Aaron Cole**

Go hard, I be tryna go hard  
For my family and my homies and my cousins  
Yeah, but everything testing my faith, uh  
Gotta lot on my plate, uh, gotta keep pushin', man, uh, yeah, uh  
I be dealing with struggles and all the pressure  
Tryna find peace up in this world like I'm Metta  
I don't wanna die young just live forever, yeah, just live forever  
'Cause all my friends leaning on the bottles  
I'm praying that I hear from them tomorrow  
Lost a couple over the years, yeah, yeah  
Many tears, yeah, yeah, give it to God, yeah, yeah  
Know You're near, yeah, yeah

Oh-oh-oh  
 Couldn't come this far man just by grindin' (Oh-oh-oh)  
 If I said I did it myself than I'd just be lying (Oh-oh-oh, yeah)  
 You showed me what it means to be faithful (Oh-oh-oh)  
 Oh yeah, I'm forever ever grateful (Oh-ayy, oh-ayy, oh-oh)  
 Yeah, forever ever grateful (Oh-ayy, oh-ayy, oh-oh)  
 Yeah, yeah, forever ever grateful

Hopeless, I be feelin' hopeless  
Try to take control when I feel every door is closin'  
But it's Your plan that's what they keep sayin'  
Yeah, it's hard to do when I feel the devil be preyin'  
Hard is always where it's gotta be though

I'm steady shooting 3's when it's just a free throw, ayy  
Learned I had to get rid of my ego  
Me and You together we a weapon, yeah, we lethal  
Now every day we up just like a high note  
Ain't never going back that's on the Bible, ayy  
Nothing I did got me standing right here  
Got Your angels watching me, it's never been so clear

Oh-oh-oh  
 Couldn't come this far man just by grindin' (Oh-oh-oh)  
 If I said I did it myself than I'll just be lying (Oh-oh-oh, yeah)  
 You showed me what it means to be faithful (Oh-oh-oh)  
 Oh yeah, I'm forever ever grateful (Oh-ayy, oh-ayy, oh-oh)  
 Yeah, forever ever grateful (Oh-ayy, oh-ayy, oh-oh)  
 Yeah, yeah, forever ever grateful

[illegible]

Oh-ayy, oh-ayy, oh-oh  
Forever ever grateful
