

MERCY

Aaron Cole

Got His mercy on me (Yeah)
Still got His mercy on me
Still got His mercy on me
Aye, look

I'm on a new wave
Why you ain't picked up the phone, this goes two ways
Give ya life to God it's never too late
I ball in real life this ain't 2k
I'm an ATL steppa boy I'm too brave
I got classics hit ya harder than Liu Kang
I put my money on my city like I'm Luol Deng
We out the country and Omari got on blue jays
We in New York and whole team just copped a new chain
I went to Sway and had to Pop out on my flu game
Yeah, call me Mr. Cole I got a new name (Look)
In Christ a new creation, I'm a new saint
Yeah, look

I got mercy on me (Huh, yeah)
Got His mercy on me
Look my tee might Louis V still got His mercy on me (Yeah)
Gotta tell the world this my testimony
Look, I got mercy on me (Uh)
Got His mercy on me
My tee might Louis V still got His mercy on me (Yeah)
Gotta tell the world this my testimony

I'm not worthy of a thing
But I got mercy in my veins
Tyler Perry we made due when we was living in house of pain
Write the vision make it plain
And don't ask me what's my sign I'm signed by God
I'm unashamed (Look)
Feel like I'm living on a plane
For His life for me He gave
Confess believe and you'll be saved (Uh)
Eyes closed I walk by faith (Yeah)
And all my family in VA

I'm like (Mm, mm mm mm)
I'm on a new wave (Look)
Just like Derrick know He rose in just a few days
Confident in who I am can't drive in two lanes (Look)
In Christ a new creation I know who reigns
Yeah, look

I got mercy on me (Huh, yeah)
Got His mercy on me
Look my tee might Louis V still got His mercy on me (Yeah)
Gotta tell the world this my testimony
Look, I got mercy on me (Uh)
Got His mercy on me
My tee might Louis V still got His mercy on me (Yeah)
Gotta tell the world this my testimony
