

# NUMBER ONE

Aaron Cole

Okay  
Omari done upped up the pay  
I cover my family the Spirit is heavy  
My God He providing the way  
Oh my God He providing the way  
If you ludacris get out the way  
He keep me protected the word is my weapon  
It's really not much left to say  
Ok  
Ok  
It's getting hot  
I'm training my son with the ghost  
So the power just sum I got  
My father He doing the most  
And you ain't gotta fight for ya spot  
When it come to these hits you top of the list cuz

You my number one  
One  
You my number one  
One  
Priority  
Like a billboard every week  
Like I ordered you with a tea  
First draft pick in my league

You my number one  
One  
One  
You my number one  
One  
One  
Priority  
Like a billboard every week  
Like I ordered you with a tea  
First draft pick in my league

I'm ready for whatever  
Any storm or any weather  
Tryna keep it all together  
I'm the diamond from the pressure  
You the lemon to my pepper  
And the Lord my only shepherd  
So it's only gon get better

Lean on the truth know the devil a lie  
Just how he made me like Louis Vuitton  
You by my side is a perfect design  
Act out His words like I'm doing a mime  
Doing what's right always cause a divide  
So I'm picking a side and I'm standing with God  
Only the family I gotta provide  
When it comes to these hits you the top of the list  
Cuz

You my number one  
One

You my number one  
One  
Priority  
Like a billboard every week  
Like I ordered you with a tea  
First draft pick in my league

You my number one  
One  
One  
You my number one  
One  
One  
Priority  
Like a billboard every week  
Like I ordered you with a tea  
First draft pick in my league

You my number  
Ok  
Omari done upped up the (Yuh)  
Omari  
Omari done upped up the pay  
Ok  
Omari done upped up the pay  
I dust off my knees and I pray
