

Say Less

Aaron Cole

I ain't gotta floss
I ain't gotta flex
I ain't gotta talk
I ain't gotta talk shorty ima say less
Way too blessed
I ain't gotta stress
I ain't gotta talk shorty ima say less say less

Life been like a seesaw
He the one I lean on
Do this for kingdom

Living out my purpose
For all the kids that hurting
Yeah I know they feel me
I know that thing for certain
I'm really unashamed
We really bout this thing
Let all the others change
Yeah they changed
But I know it's hard tho
World could be so hollow
They hate on who we follow
Yeah
But I been on a new wave
They be tryna throw shade
I ain't talking I'm just moving different

I ain't gotta floss
I ain't gotta flex
I ain't gotta talk
I ain't gotta talk shorty ima say less
Way too blessed
I ain't gotta stress
I ain't gotta talk shorty ima say less say less

I ain't gotta floss
I ain't gotta flex
I ain't gotta talk
I ain't gotta talk shorty ima say less

Say they giving to the homeless
Look at me I'm golden
Doing anything just to get noticed
You ain't gotta flaunt it
Praise I know you want it
Don't gotta show out
If you really on it
It's in my DNA
Leave behind a legacy
I know he proud of me
Me me me
They gon know me by my grind tho
I don't need a slides how

I don't need my name on the tonight show
Cause I been on a new wave
They be tryna throw shade
I ain't talking I'm just moving different

I ain't gotta floss
I ain't gotta flex
I ain't gotta talk
I ain't gotta talk shorty ima say less
Way too blessed
