Though I know you're no good (Yeah)  
And I'd leave if I could (It's totally different now)

Change occurred (Woah)  
Look how the tables turned (Woah)  
Sorry that I changed (Uhh)  
Charge it to the game (Aye)  
Couldn't be the same  
Couldn't be the same  
And come what I became (Aye, look)

I'm top 1 it's not a debate (Uhh, look)  
Ain't been the same since I left the Chi for my grandmother's wake (Uhh)  
My heart turned cold when I seen my grandmother's face  
Knew I had to pick up the pace  
Make sure the family was straight  
That's why I don't pray just to pray

The rain coming down, it's a flood
