

# For The Life Of Me

Aaron Goodvin

She's a stubborn woman  
She don't listen to a word I say  
Sometimes I wanna  
Just up and walk away  
Swears one day she's gonna  
Be the one to change my ways  
Stop my heart from runnin'  
And slow down my fast lane

And for the life of me  
I can't figure out why she even gives a damn  
Or even prays for me  
And it's nights like tonight with tears in her eyes  
She still stays with me  
It's like she can see  
The man I'm gonna be  
I'm startin' to believe  
She lives and breathes  
For the life of me

Right about now  
I'd be watchin' taillights fade  
But if I'm right about now  
She's puttin' the change in the game  
There's tables turnin' round  
And bad habits about to break  
Demons goin' in the ground  
Yeah she's my savin' grace

And for the life of me  
I can't figure out why she even gives a damn  
Or even prays for me  
And it's nights like tonight with tears in her eyes  
She still stays with me  
It's like she can see  
The man I'm gonna be  
So I do believe  
She lives and breathes  
For the life of me

For the life of me  
I can't figure out why she even gives a damn  
Or even prays for me  
And it's nights like tonight with tears in her eyes  
She still stays with me  
It's like she can see  
The man I'm gonna be  
So I do believe  
She lives and breathes  
For the life of me  
For the life of me
