

# Get A Little Freaky With Me

Aaron Hall

How you doin' baby  
(Oh, Aaron)  
Oh, tease me baby and freak on me  
Oh yeah, baby

Baby, let me take my time  
All we need is you and me tonight  
Get on my bed  
Take off your clothes  
I know it's in ya  
So baby, get a little freaky

Get a little freaky with me (Come here, baby)  
Hey baby  
Get a little freaky with me (Come here, down)  
Oh, nasty girl (Slide it to me, c'mon you can do it right)

Get a little freaky with me (Experience, baby)  
Hey baby  
Get a little freaky with me (That's the key, yeah)  
Oh, nasty girl (You can get it from a nasty man)

Now that I had the time  
To get to know you better  
Baby, please be my girl  
Be my girl forever  
I don't mind spending forever with you  
Just as long as you promise you  
Get a little freaky with me

Get a little freaky with me  
Hey baby  
Get a little freaky with me  
Oh, nasty girl (Come on, baby)

Get a little freaky with me  
Hey baby  
Get a little freaky with me  
Oh, nasty girl (Oh yeah, yeah, yeah)

Get a little freaky with me  
Hey baby (Honey, come ask me)  
Get a little freaky with me  
Oh, nasty girl (I know you can laugh with me all night long)

Get a little freaky with me (Grab your sexy legs around me)  
Hey baby  
Get a little freaky with me (Put your hands anywhere you want them, baby)  
Oh, nasty girl

Ain't no need to play all these games  
Cause there is no time for delay  
So my baby, if you wanna be with all with me  
I only deal with ladys  
Just do it, yeah

Get a little (Get down on by)

Get a little (Get down on by)  
Get a little (Get down on by)  
Get a little freaky (Just do it with me)

Get a little (Get down on by)  
Get a little (Get down on by)  
Get a little (Get down on by)  
Get a little freaky (Just do it with me)

You can be as freaky as you want to be  
With me, babe  
Yeah, yeah

You can be as freaky as you want to be  
With me, babe  
Yeah, yeah

Get a little freaky with me (Come here, baby)
