

# I'll Do Anything

Aaron Hall

I'll do anything (Baby, don't leave)  
To give you the love from me, baby (Baby, don't leave me now)

I'll do anything (Baby, don't leave)  
Baby don't go no way (Baby, don't leave me now)

I'll do anything (Baby, don't leave)  
To satisfy my baby (Baby, don't leave me now)

Because I love  
You so

From the first time I met you, girl  
I had to have your love, yes I did  
There's no one else I rather have love in me  
So pretty little baby  
I mean this truly

I'll do anything (Baby, don't leave)  
To give you the love from me, baby (Baby, don't leave me now)

I'll do anything (Baby, don't leave)  
Baby don't go no way (Baby, don't leave me now)

I'll do anything (Baby, don't leave)  
To satisfy my baby (Baby, don't leave me now)

Because I love, (So much)  
You so

Lord knows, I'll give you my heart  
If I could  
Seven days a week, girl  
I hope its understood (Hope its understood, baby)  
You had men before  
That hurt you more

You are the loveliest girl, my eyes ever saw- uh  
So hear me out  
Before you close that door

I'll do anything (Baby, don't leave)  
To give you the love from me, baby (Baby, don't leave me now)

I'll do anything (Baby, don't leave)  
Baby don't go no way (Baby, don't leave me now)

I'll do anything (Baby, don't leave)  
To satisfy my baby (Baby, don't leave me now)

Because I love, (Love you so, yes I do)  
You so

Everytime I close my eyes  
Thanking God for you (Forgiving me)  
Chance to love you (A chance to love you)  
(Chance to love you)

Chance to love you  
(Chance to love you)

Live without you  
I wouldn't know what to do

I'll do anything (Baby, don't leave)  
To give you the love from me, baby (Baby, don't leave me now)

I'll do anything (Baby, don't leave)  
Baby don't go no way (Baby, don't leave me now)  
(I climbed the mountain, swam the deepest sea)

I'll do anything (Baby, don't leave)  
To satisfy my baby (Baby, don't leave me now)  
(If that's what it takes to satisfy you)

Baby, don't leave me now  
Not this time  
Give me just one more trial

Oh, baby  
I keep you warm in a stall  
Yes, I will

I keep you dry in the rain  
(Baby, don't leave me now)  
(Baby, not this time)  
(Give me just one more trial)

You see  
Sometimes, sometimes  
When your friends are around  
You get lonely  
Yes you do  
You get lonely  
And your ladys the only one  
Your ladys the only one  
I can satisfy you  
So baby  
I'm smart enough to say  
Give me just one more time  
I get my act straight- uh
