

# None Like You

Aaron Hall

Been around the world (Been around the world, baby)  
Seen all kind of girls  
But there is none like you (None you like you)  
No baby, no baby

There is no kind of places, seen no kind of faces  
But there is none like you  
Lemme tell ya, lemme tell ya!

Remember when I first layed eyes on you  
My friends and Aaron should have never talked to you  
Couldn't believe that you gave me the time of day  
You're beautiful, please be my baby!  
(Been around the world!)

Been around the world (Seen all kind of girls)  
Seen all kind of girls (But there is none you like you)  
But there is none like you  
No baby, no baby

There is no kind of places, seen no kind of faces (All kind of places, baby)  
But there is none like you. (None like you)  
Lemme tell ya, lemme tell ya!

You're diamond in disguise  
So beautiful, I love the way you shine  
I never leave you, baby  
You can't believe me, lady  
I've been around the world and I can't seem to find nobody like you, baby

Been around the world (Seen all kind of girls)  
Seen all kind of girls  
But there is none like you (But there is none... nowhere)  
No baby, no baby (I've been a lot of places)

There is no kind of places, seen no kind of faces (Seen none kind of faces)  
But there is none like you. (But there is none like you)  
Lemme tell ya, lemme tell ya!

You got it going on (You got it going on)  
You keep me so... happy (You keep me so... happy)  
Baby, the way you always want to please (The way you always want to please)  
I know, I'm never got to find nobody (There's none like you)  
(I gotta keep you through)

Been around the world  
Seen all kind of girls  
But there is none like you  
No baby, no baby

There is no kind of places, seen no kind of faces  
But there is none like you  
Lemme tell ya, lemme tell ya!

None like you, baby  
None like you, baby  
None like you, baby
