

Open Up

Aaron Hall

Hey, Hey, Hey!
Open up, open up baby!

Baby, you look so good
Oh honey, if I could
Take you home and get to know you
Maybe sing you a lovely ballad at night
Then maybe you just might
Offer me a lot, girl

I caress your body all night long
I keep you safe and warm
I promise I won't be too nasty
Oh wee
Baby, just say when
And let the fun begin
Here we go, in and out
Come on, baby
Open up for me!

Open up! (Open up!)
Open up! (Open up!)
Open up! (Baby!)
Baby for me (For me!)

Open up! (Open up!)
Open up! (Open up!)
Open up! (Baby!)
Baby for me (For me!)

Foreplay's my specialty
Lemme eat the curiosity
Lemme let you see what you been thinking, oh yea
Let me from head to toe
Oh girl, I know you know
I know you know what you are doing

So baby
Come and give it to me
Lemme take you to [?]
Nothing else matters, baby
Except me

Lolipop, hey lady
Don't just stop
Don't just stop until I say, yo baby
So, open up baby

Open up, baby!
Open up, baby!
Open up, baby!
Open up!

Open up, baby!
Open up, baby!
Open up, baby!
Open up!

Open up, baby!
Open up, baby!
Open up, baby!
Open up!

Open up, baby!
Open up, baby!
Open up, baby!
Open up!

Open up!
(Open up and let me in)
And let me in (Open up and let me in)
Right now (Right now)

Open up!
(Open up and let me in)
And let me in (Open up and let me in)
Right now (Right now)

Baby girl, come here
Oh babe, you have no reason to fear
So lay day down, my love
Lemme give you just what you need
Open up and let me in

Open up! (Open up!)
Open up! (Open up!)
Open up! (Baby!)
Baby for me (For me!)

Open up! (Open up!)
Open up! (Open up!)
Open up! (Baby!)
Baby for me (For me!)

Knock knock, baby
Here I come

Come on, baby
Open up for me
Come on, baby
Open up for me

You know what I want
You know I need
Give it, give it to me

You know what I want
You know I need
Give it, give it to me
