

# Until I Found You

Aaron Hall

I was nothing  
Until I have found your love  
Until I have found your love  
Until I have found  
Your love  
Oh, yeah yeah yeah  
Yeah

How you doing baby (How you doing baby)  
Can I talk to you (My life's never been the same)  
You know I need your love (You know that I need you baby)  
Girl I need your love everyday in my life (Everyday in my life)  
Oh baby [?]  
Oh baby, you know I need you all day  
Don't leave me (Don't leave me)  
Please don't leave me

Lately you've been on my mind  
I didn't know I would ever see you again  
Oh no  
Baby, don't leave me alone  
You know that I need you so desperately  
Oh girl

Love, love you and me  
Is all that I need  
So don't, don't think I don't care  
Oh baby, my life's been nothing  
Until I've found you  
(I was nothing)

Until I've found you (Until I've found your love)  
Until I've found you (Baby, Baby, Baby, Baby)  
(My life's never been the same) My life's never been the same

Can I talk to you baby (Tell me you love me, baby)  
(I know you do)

I'm so happy  
You didn't leave me  
I don't know what to do, yeah  
And by the way, oh baby girl  
You are my world  
And nothing can come between us  
You, you turn me on  
It feels like nothing can go wrong  
So don't, don't be confused  
My life was nothing  
Till I've found you

Until I've found you (Until I've found)  
(Until I've found you)  
Until I've found you (Baby, you're the only one I've been think about)  
(My life's never been the same) My life's never been the same

I was nothing  
(Baby) Until I've found you

(I was nothing, until I've found you)  
Until I've found you  
(I was just a 100 steps around)  
(And nothing baby, until I've found you)  
My life's never been the same

Oh, every time I see you (Everytime I see, yeah)  
I stop and thank God for your love (I stop and get down on my knees and thank God for your love)  
Please girl, don't ever leave me (You never leave me, baby)  
I don't know what I'll do without you

I was nothing  
(Baby) Until I've found you  
(I was nothing, baby)  
Until I've found you  
(Until I've found you)  
(You're so pretty and I confess yeah)  
My life's never been the same  
(You was perfect for me)

I was nothing  
(Oh baby) Until I've found you  
(The way I feel your love to me)  
Until I've found you  
(I smile in front of you, pretty baby)  
(My life)  
My life's never been the same  
(Can I tell you what you did for me)  
(You took a frown and made me happy)  
(You took the tears and dried them away)  
(My life, my life's never been the same)  
(Until I've found your love)

My life's never been the same  
(I'm not finished, baby)  
(Through all my tours and all my singing)  
Until I've found you  
(And all hours spending in the studio, baby)  
Until I've found you  
(You still stayed by my side)  
(And I'm thankful)  
My life's never been the same  
(I'm telling you, I'm thanking you baby)

Oh, not a shame to let the world know how much I love you  
(My life's never been the same) (Somethings gonna love in your life, baby don't make any mistakes, there's some time and to talk by)  
It feels so good to be loved and caressed and cradled again  
(My life's never been the same)  
Thank you, baby  
Somethings funny?  
Why you laughing at me?  
Hehe, I love you baby  
Come here baby
