

Until The End Of Time

Aaron Hall

I never met someone quite like you
Who with a smile can turn my dark skies into blue
I don't think that I can make it girl without you near
You are my life, my hope and with you here
I'll have no fear
'Cause you are my love

You are my love (You are my friend)
You are my friend
I'll stay with you until the end of time
(All the way until the end of time)
(You are my love)

You are my love
You are my friend (You are my friend)
I'll stay with you until the end of time
All the way until the end of time

I will be your man, no matter come what may
You are my lady and I need your lovin' everyday
And the vows we're gonna share, I will keep forever
No rain nor sleet with a storm can never separate us

(Please) Please don't you leave me, baby
(Don't leave me, you're all I need, lady)
Girl all I need, lady (Stay, stay with me)
Stay with me forever (I'll, I'll, I'll never leave)
I never let you down (I know I said it in the past)
I promise, I'll always be around (But I promise, I promise)
(I'm down on my knees, begging you please, baby)

You are my love
You are my friend
I'll stay with you until the end of time
(I stay with you as long as you stay with me)

You are my love
You are my friend
I'll stay with you until the end of time
All the way until the end of time
(I stay, I stay, I stay)

Baby, the time and love you give me
That's hard and... [?]
I need
Stay right here
Until the end of time

You are my love
You are my friend
I'll stay with you until the end of time
(I get it from you, everything, every night and day, through out the year, baby)

You are my love
You are my friend
I'll stay with you until the end of time

All the way until the end of time

(Stay with me, Stay with me, Stay with me, Stay with me, Stay with me, baby)

You are my love

You are my friend

I'll stay with you until the end of time
