

# Why You Tryin' To Play Me

Aaron Hall

When I had... fuck had  
Where I was... that's where you were  
By my side that's where you stood, can you feel me?  
And then you wanted to go out there and play me?  
(Check it out) Are you crazy?  
Yo Biggie how we do it?

Now Biggie Smalls is not the type to fall in love with 'em  
Hit 'em and forget 'em and go handle my business  
What is this with you, all you wanna do is lay around  
And stay around, and get mad when I play around  
Tuesday I saw you in the Z, but you still wanna get with me  
Wednesday is the Benz day, that's what your friends say  
So I guess you think I'm slippin cause I ain't flippin  
Baby I'm Big Poppa ain't no need to be trippin

You know that I care - baby  
Why you keep on stressin me  
I'm walkin out the door - baby  
Is this how you want it to be?  
When you used to call

(I came runnin to you)  
And when you were with me  
(I gave it all to you)  
Can't nobody do it like me  
(Fulfill your wildest dreams)  
Why ya tryin to play  
(So why ya tryin to play me?)

When the tables turn you'll see  
I know how it's gonna be  
You are gonna beg, to see me  
Wanting how it used to be  
When you used to call

(I came runnin to you)  
And when you were with me  
(I gave it all to you)  
Can't nobody do it like me  
(Fulfill your wildest dreams)  
Why ya tryin to play  
(So why ya tryin to play me?)

All I do all day is drink Tanqueray  
Thinkin of a way to put a smile on your face  
It seems like it's a waste of time, it's why I wrote the rhyme  
I hear you jumpin in every car, except for mine  
Should I wine and dine you, put rings on your fingers  
While sex from the next man in the bedroom lingers?  
You betta slow your roll baby  
You ain't got enuff dough to pay me  
You know the pin number just page me when you real baby  
Uh!

(I came runnin to you)  
And when you were with me

(I gave it all to you)  
Can't nobody do it like me  
(Fulfill your wildest dreams)  
Why ya tryin to play  
(So why ya tryin to play me?)

You should realize  
(Be-fore it's too late)  
If you love me right  
I'll still be here baby  
(I'm here for you, make no mistake)  
I've had it all before  
So girl, why you, tryin to play me?

(I came runnin to you)  
And when you were with me  
(I gave it all to you)  
Can't nobody do it like me  
(Fulfill your wildest dreams)  
Why ya tryin to play  
(So why ya tryin to play me?)

(I came runnin to you)  
And when you were with me  
(I gave it all to you)  
Can't nobody do it like me  
(Fulfill your wildest dreams)  
Why ya tryin to play  
(So why ya tryin to play me?)
