

## You Keep Me Crying - Interlude

Aaron Hall

You keep me  
You keep me (cryin')  
You keep me  
You keep (you you you) me crying (Oh oh oh hey)  
Oh baby (yea yea yea)  
You keep me, you keep me  
You keep me (crying) you keep me crying (I don't understand why  
)  
(Oh let me sing, let me sing, let me sing this little song to y  
ou)  
Oh baby

I lay at night I toss and turn  
Wondering how you left me in the rain  
My tears must blending (yea oh)

I don't how I don't know when  
I will see your pretty face again  
I be waiting (I'll be waitin')

You keep me crying  
Tears running down my face  
You keep me crying  
When you needed me I was there  
You keep me crying  
When you needed me I was there  
You keep me crying  
Please wipe the tears from my eyes  
You keep me you keep me (crying)

I don't know why you keep me crying all night long (hey hey yea  
)
