

# Goodbye Town

Aaron Lewis

Goodbye heartbreak, goodbye home  
Goodbye divebar I used to go  
I gotta get out, out of this goodbye town  
And goodbye happy and hello regret  
Hello all the things I wished I said  
I'm going down, down in this goodbye town

Where am I supposed to go now that you're gone?  
Girl, you took the roll right out of my stone  
There ain't enough Tennessee whiskey round here  
To drown me out of this goodbye town

Hello highway, hello alone  
Here I am, a thousand miles from home  
Wheels spinning round, outta this goodbye town

Where am I supposed to go now that you're gone?  
Girl, you took the roll right out of my stone  
There ain't enough Tennessee whiskey round here  
To drown me out of this goodbye town

Goodbye heartbreak, goodbye home  
Goodbye divebar I used to go  
I gotta get out, out of this goodbye town  
Wheels spinning round, out of this goodbye town
