

Outlaw

Aaron Lewis

People try to tell that I'm stuck in my ways
Just a stubborn S.O.B
So be it if that's the case
I'm just out here doing what I've always done
Ain't that complicated
I ain't changing for no one
Ain't like I can hide it
Ain't like I got a choice
Ain't never gonna be anything
But this bad ole good ole boy

I'm on the outside of the inside
The wrong side of the fence
On the right side of the Lord
I don't care what the left side says
You can love it or leave it
Like it or not
American since the day I was born
Outlaw by the grace of God

Ain't no one gonna make me
Unmake my made-up mind
'Til my dying day
There ain't no way
I ain't living this way of life
I don't care what you think of me
For being who I am
The good Lord made me just this way
So take it up with Him
Don't need your permission
To do what I wanna do
I'll mind my own business
How about you mind yours too

I'm on the outside of the inside
The wrong side of the fence
On the right side of the Lord
I don't care what the left side says
You can love it or leave it
Like it or not
American since the day I was born
Outlaw by the grace of God

I'm on the outside of the inside
The wrong side of the fence
On the right side of the Lord
I don't care what the left side says
You can love it or leave it
Like it or not
American since the day I was born
Outlaw by the grace of God

American since the day I was born
Outlaw by the grace of God
