

# Sinner

Aaron Lewis

So I sit here,  
In my hole,  
Hope the lord can,  
Come save my soul.

Cause I'm a sinner to my core,  
I ask forgiveness and nothing more.

Darkness surrounds me,  
I can't see,  
All of the demons,  
Right here with me.

Cause I'm a sinner to my core.  
I ask forgiveness and nothing more.

My eyes are open,  
Now I can see,  
All of the damage,  
Brought on by me.

Cause I'm a sinner to my core,  
I ask forgiveness and nothing more.

I'm a sinner to my core,  
I ask forgiveness and nothing more.
