Savage on your own
You don't need no team
You're having it your way
You always wanna be apart of
But you ain't get to see the start of it all

I ball a-
I got motion, yes
I ball alone
I got motion yes
Cause I ball alone
You gotta have your own
Take it from me
You can take it or

Leave
It's too hard to
Leave
I'll probably say I'll
Leave
You'll probably say you'll
Leave
Nobody's trying to
Leave
We got this far/for us to
Leave
Baby tell me you won't
Leave
Baby tell me you won't
Leave
But I probably got to
Leave
Whoa

And you show me the way
And we can walk for a long time
Come baby I'm yours, you're mine
Just say you wouldn't leave

Uhh
I can't even see your friends baby
I just want you all alone
Why would you go leave again
Ain't I told you I was coming home?
You won't be with me but then end up steady calling phones
How long I don't wanna know
I'm ballin', I've been on top
I'm on you would've probably known
But you gone who takin' your spot
Put me right back in my space
I been having my way
Say for wrong or right if I stay
Only thing that's understood, she mine whenever I
