

# Diggin' it

Aaron Pritchett

Can't stand it when I go out with my boys for a beer  
Leavin' notes on my car just to say you were here  
Them 3 a.m. phone calls ringin' in my ear  
Little crazy, I'll admit  
But I'm diggin' it  
You got me reeled right in, hell, I took the bait  
When you told me that you loved me on our second date  
Take me to meet your parents the very next day  
You want commitment?  
Hey, I'm diggin' it

You got me wrapped around your finger  
With that devil in your eyes  
Got me hypnotized  
And mama always warned me about girls like you  
I got red flags waving me to stay away  
But it's my grave  
And I'm diggin' it

I got you rolling stop signs, doing 94  
Take you to the edge, leave you wanting more  
Got a hand full of aces and you're my wildcard  
Hey, I'm all in  
And I'm diggin' it

I got you wrapped around my finger  
Got that devil in my eyes  
Got you hypnotized  
Mama always told me 'bout guys like you  
Yeah there's red flags waving me to stay away  
But it's my grave  
And I'm diggin' it  
Yeah I'm diggin' it

Even when I try to quit it  
One look, and I'm back in it

You got me wrapped around your finger  
With that devil in your eyes  
Got me hypnotized  
And mama always warned me 'bout girls like you  
You got me wrapped around your finger  
With that devil in your eyes  
Got me hypnotized  
And mama always warned me 'bout girls like you  
Yeah, I got red flags waving me to stay away  
But it's my grave  
And I'm diggin' it  
Yeah man, I'm diggin' it  
Aw yeah, I'm diggin' it  
Diggin' it  
I'm diggin' it
