

# It Ain't Gettin' old

Aaron Pritchett

From up on this mountain  
There's still more hill to go  
I might get a little tired from the climb  
But it never stopped me before  
All my life under lights, these eyes realize it comes from my soul  
Yeah, I'm getting older, but it ain't gettin' old

From the lines on the highway  
To the faces in the front row  
Seemed like a dream, but you and me  
We made it real at every show  
When the kickdrum kicks and the first verse hits  
And all my stories are told  
Yeah, I'm getting older, but it ain't gettin' old

Time has a way of turning the pages  
Maybe I can face it  
But I know I couldn't do it alone  
Forever and a day  
I got something left to say  
I'm getting older, but it ain't gettin' old

30 years I've been here  
And I still got stories to be told  
Yeah, I'm getting older  
Yeah, I'm getting older  
But it ain't gettin' old

Time has a way of turning the pages  
Maybe I can face it  
But I know I couldn't do it alone  
Forever and a day  
I got something left to say  
I'm getting older, but it ain't gettin' old  
It ain't gettin' old  
It ain't gettin' old  
It ain't gettin' old  
(Hey!)  
It ain't gettin' old  
Oh, it ain't gettin' old  
It ain't gettin' old
