

# Lifeline

Aaron Pritchett

I want my whiskey clear  
I ain't a fan of fear  
I like livin' like a cowboy on his last ride  
I love the feel of fast  
And nothings blowin' past  
Knowin' all my reckless  
Is gonna rob me blind

911 baby you're my rescue  
Save my heart from the dark, dark side  
I raise hell till' it all breaks loose  
Love what I do and I don't know why  
Oh! Throw me that rope  
Pull me in nice and slow, no don't let go  
I need you tonight, show me the light  
Yeah baby you're my lifeline

You turned my world around  
Cuz up until right now  
I've never seen you swayin' in a pair of ripped jeans  
When my head ain't right  
You shock me back to life  
When I want poison  
Your lovin' is my remedy

911 baby you're my rescue  
Save my heart from the dark, dark side  
I raise hell till' it all breaks loose  
Love what I do and I don't know why  
Oh! Throw me that rope  
Pull me in nice and slow, no don't let go  
I need you tonight, show me the light  
Yeah baby you're my lifeline

911 baby you're my rescue  
Save my heart from the dark, dark side  
I raise hell till' it all breaks loose  
Love what I do and I don't know why

911 baby you're my rescue  
Save my heart from the dark, dark side  
I raise hell till' it all breaks loose  
Love what I do and I don't know why  
Oh! Throw me that rope  
Pull me in nice and slow, no don't let go  
I need you tonight, show me the light  
Yeah baby you're my lifeline

Baby you're my lifeline  
Baby you're my lifeline
