

## Be Gracious (Psalm 51)

Aaron Shust

Be gracious unto me O God  
According to Your mercy  
According to Your great compassion  
Gracious unto me O God  
According to Your mercy  
According to Your great compassion  
Blot out my transgressions

Be gracious unto me O God  
According to Your mercy  
According to Your great compassion  
Gracious unto me O God  
According to Your mercy  
According to Your great compassion  
Blot out my transgressions

Against You and You alone I've sinned  
And committed what was evil in Your eyes

Create in me a clean heart  
Create in me a clean heart my God  
Create in me a clean heart  
And renew a steadfast spirit within me

Hide Your face from all my sins

Create in me a clean heart  
Create in me a clean heart my God  
Create in me a clean heart  
And renew a steadfast spirit within me

Restore to me the joy of Your salvation  
Sustain me with a spirit that is willing  
Restore to me the joy of Your salvation  
Sustain me with a spirit that is willing  
Cleanse me and I will be clean  
Wash me and I will be whiter than snow  
Let me hear joy and gladness  
Let these bones You have broken rejoice

Hide Your face from all my sins

Create in me a clean heart  
Create in me a clean heart my God  
Create in me a clean heart  
And renew a steadfast spirit within me

Create in me a clean heart  
Create in me a clean heart my God  
Create in me a clean heart  
And renew a steadfast spirit within me
