

# God Is For Us

Aaron Shust

You work together for our good  
You are loving  
You give us more than we deserve  
You are unfailing  
And we are more than conquerors  
Savior  
In you our future is secure  
By your power

We will not be shaken  
We will not be silent  
Sin is powerless  
Our God is for us

We will not be broken  
He won't be defeated  
Death is powerless  
Our God is for us

Consider all that He has done  
Our sin he carried  
By His wounds we've overcome  
Now we stand redeemed

And we are more than conquerors  
Savior  
In you our future is secure  
By your power

We will not be shaken  
We will not be silent  
Sin is powerless  
Our God is for us  
We will not be broken  
He won't be defeated  
Death is powerless  
Our God is for us

We will sing  
Sing out  
Sing for the hope  
Found in His love  
We will sing  
Sing out  
Sing to our God

We will sing  
Sing out  
Sing for the hope  
Found in His love  
We will sing  
Sing out  
Sing to our God

We will not be shaken  
We will not be silent  
Sin is powerless

Our God is for us  
We will not be broken  
He won't be defeated  
Death is powerless  
Our God is for us

We will not be shaken  
We will not be silent  
Sin is powerless  
Our God is for us  
We will not be broken  
He won't be defeated  
Death is powerless  
Our God is for us
