

Nothing More

Aaron Shust

Fill this place with Your presence
Fill this place with Your Holy Spirit
Fill this place with Your presence
Jesus, Jesus [x2]

We want nothing more than You, God
We want nothing more
We want nothing more than You, God
We want nothing more

Fill this place with Your glory
Fill this place with Your holy fire
Fill this place with Your power
Jesus, Jesus

We want nothing more than You, God
We want nothing more
We want nothing more than You, God
We want nothing more [x2]

I give You all, every part
Take me as I am
We lay it down, in You we're found
Hold us in Your hands [x2]

We want nothing more than You, God
We want nothing more
We want nothing more than You, God
We want nothing more [x2]
