

## Steadfast Love (Psalm 103)

Aaron Shust

Bless the Lord O my soul  
And all that is within me bless His holy name  
Bless the Lord O my soul  
And don't forget His benefits

He forgives all your iniquity  
And He heals all your disease  
He satisfies your life with good  
And crowns you with steadfast love  
He crowns you with steadfast love

Full of mercy compassionate  
Slow to anger and rich in love  
He does not treat us as our sins deserve  
Bless His holy name

He forgives all your iniquity  
And He heals all your disease  
He satisfies your life with good  
And crowns you with steadfast love  
He crowns you with steadfast love

How great is His faithful love  
How great is His faithful love  
As far as the East is away from the West  
He's removed all our sin from us

How great is His faithful love  
How great is His faithful love  
As far as the East is away from the West  
He's removed all our sin from us  
He remembers we're only dust

He forgives all your iniquity  
And He heals all your disease  
He satisfies your life with good  
And crowns you with steadfast love  
He crowns you with steadfast love

How great is His faithful love  
How great is His faithful love  
As far as the East is away from the West  
He's removed all our sin from us
