

# This I Know

Aaron Shust

When I'm surrounded by uncertainty  
And my fear tries to steal control  
There's one thing that is no mystery  
Jesus loves me this I know

When I'm flooded with anxiety  
Waves of doubt won't drown my soul  
There's a peace that rests inside of me  
Jesus loves me this I know

Praise the One Who walks beside me through  
Mountain high and valley low  
My hope is found in this forever Truth  
Jesus loves me this I know  
Jesus loves me this I know

When my sin says I'm unreachable  
Past the point where grace can go  
When I feel anything but loveable  
Jesus loves me this I know

Praise the One Who walks beside me through  
Mountain high and valley low  
My hope is found in this forever Truth  
Jesus loves me this I know  
Jesus loves me this I know

On Christ the Solid Rock I stand  
All other ground is sinking sand  
My Saving Grace My only hope  
My Jesus loves me this I know

On Christ the Solid Rock I stand  
All other ground is sinking sand  
My Saving Grace My only hope  
My Jesus loves me this I know

Praise the One Who walks beside me through  
Mountain high and valley low  
My hope is found in this forever Truth  
Jesus loves me this I know  
Jesus loves me this I know

Praise the One Who walks beside me through  
Mountain high and valley low  
My hope is found in this forever Truth  
Jesus loves me this I know  
Jesus loves me this I know  
Jesus loves me this I know

On Christ the Solid Rock I stand  
All other ground is sinking sand  
My Saving Grace My only hope  
My Jesus loves me this I know
