

# Your Word

Aaron Shust

When I roam When I roam  
God, Your Word will lead me  
Your Word will lead me  
When I sleep When I wake  
God, Your Word sustains  
Your Word sustains

O The Light will shine in the darkness  
And the darkness cannot overcome

Your Word is a lamp unto my feet  
Your Word is a light unto my path  
And I will follow where You lead me

Hidden deep in my heart  
God Your Word will guide me  
Your Word will guide me  
Spirit breathe, breathe in me  
For Your Word is life  
Your Word is life

O The Light will shine in the darkness  
And the darkness cannot overcome

Your Word is a lamp unto my feet  
Your Word is a light unto my path  
And I will follow where You lead me  
Your Word is a lamp unto my feet  
Your Word is a light unto my path  
And I will follow where You lead me

No more walking in darkness  
No more walking in darkness  
We have the Light of the World  
We have the Light of the World

No more walking in darkness  
No more walking in darkness  
We have the Light of the World  
We have the Light of the World

Ain't no weapon can harm us  
Ain't no weapon can harm us  
We have the Light of the World  
We have the Light of the World

No more walking in darkness  
No more walking in darkness  
We have the Light of the World  
We have the Light  
We have the Light

Your Word is a lamp unto my feet  
Your Word is a light unto my path  
And I will follow where You lead me  
Your Word is a lamp unto my feet  
Your Word is a light unto my path

And I will follow where You lead me

No more walking in darkness  
No more walking in darkness  
We have the Light of the World  
We have the Light of the World

Ain't no weapon can harm us  
Ain't no weapon can harm us  
We have the Light of the World  
We have the Light  
We have the Light
