

Another World

Aaron Smith

Can't dream without
It's only gonna make it harder
Break my heart until it's over
I tend to drown
When I can't face my feelings
So forget it, I'm not breathing

Leave a light on, 'cause I don't wanna be alone
Take me home, take me home
Baby, I'm scared of breathing out here on my own
Hold me close, hold me close
See you in another world
Take me home, take me home
Take me home, take me home
See you in another world

See you in another world

See you in another world
I'll never know if love is beautiful
'Cause I'm hurting now, now
Leave a light on, 'cause I don't wanna be alone
Take me home, take me home
See you in another world
Take me home, take me home
Take me home, take me home
See you in another world

See you in another world
I'll never know if love is beautiful
'Cause I'm hurting now, now
Leave a light on, 'cause I don't wanna be alone
Take me home, take me home
See you in another world
