

# You

Aaron Smith

Panic on the subway  
I don't wanna replay  
All this shit I'm thinking  
Someone make it stop  
Everybody's looking  
Thinking I am mental  
Planning my escape route  
How do I get off?

Gotta get me out this room  
'Cause all I do is think of you  
Wishing you were here with me  
So I can heal  
You know, I know you know

That I don't wanna be here  
But I don't wanna go home  
In this shit hotel bed  
All I feel is torn  
Everybody's jealous  
I'm living out a suitcase  
I don't wanna be here  
Out here on my own  
All I want is you  
Just you

I don't know what I'm chasing  
Been going on for days now  
I just hate this feeling  
Stuck inside my head  
I try to be better  
Write my fears in letters  
Throw away my demons  
And they keep coming back

Different kinds of ecstasy  
But that shit never works for me  
All I do is I disappear  
I'm gone for weeks  
You know, I know you know

That I don't wanna be here  
But I don't wanna go home  
In this shit hotel bed  
All I feel is torn  
Everybody's jealous  
I'm living out a suitcase  
I don't wanna be here  
Out here on my own  
All I want is you  
Just you  
You  
You  
You

All I want is you
