

Amnesia

Aaron Taos

You say you don't know
How it used to be with me before
Like you don't remember me no more
That's on you

Come now don't play games
I'm not gonna sit here and take the blame
Why would you pretend that things have changed
Its no use

It's amnesia
How could you forget all the feelings?
Sweet memories - where'd ya leave them?
I see in your eyes you don't mean it...
Its amnesia

Late nights in the house
Laying naked on the couch
All the things we talked about
Were skin deep

My biggest fear came true
Cause I'm now just stranger to you
But there's only so much I can do
Its not me

It's amnesia
How could you forget all the feelings?
Sweet memories - where'd ya leave them?
I see in your eyes you don't mean it...
It's amnesia
It's amnesia
It's amnesia

Don't say you can't remember, what is there to forget? (you a bitch!)
All of the times I was there, you think there's nothing left?

Is it amni when u call me on the phone looking at the ceiling saying that yo
u don't wanna be alone?

Is it amni when I pull up by your side while the weight of the world pulls y
ou into the sky?

It's amnesia
How could you forget all the feelings?
Sweet memories - where'd ya leave them?
I see in your eyes you don't mean it...
It's amnesia
It's amnesia
It's amnesia
It's amnesia
It's amnesia
It's amnesia
