

# Control

Aaron Taos

Sitting here thinkin' bout society  
Do you wanna hear some irony?  
I don't like going out  
But I don't wanna stay at home  
Laying here thinkin' bout the things I hate  
Staring at a screen til my mind goes blank  
It's the same every day  
When you know you're not in control

In control  
In control

Sleeping through the day so I get my rest  
Do you wanna know when I'm at my best?  
2am in my bed  
Watching some Game of Thrones  
Running down the street so I don't get fat  
Trying not to stress so I won't just crack  
But it's hard to relax  
When you know you're not in control

In control  
In control  
In control  
In control

I try to get it out my mind  
But I think it all the time  
I don't wanna be morose  
But I guess that's how it goes  
I try to live every day  
But the fact still doesn't change  
It's like you're part of a show  
When you're never in control

In control (I try to get it out my mind, but I think it all the time)  
In control (I don't wanna be morose, but I guess that's how it goes)  
In control (I try to live every day, but the fact still doesn't change)  
In control (It's like you're part of a show, when you're never in control)
