Ctrl-Z

Aaron Taos

If I hit ctrl-z would you come back to me?
And all is forgotten, the past would delete
A bright new morning, it sounds so sweet
Undo, redo, restart, repeat

If I hit ctrl-z would we know where to end?
Or would it all play out the same way again?
Are we just destined for tears and deceit?
Undo, redo, restart, repeat

If I hit ctrl-z would we still feel the same?
The rush of love that initial refrain
Well, I'm confident I kept that receipt
Undo, redo, restart, repeat
Undo, redo, restart, repeat
Undo, redo, restart, repeat
