Aaron Taos

I can feel the sunrise on my face  
I don't think I've slept in a dozen days  
If you find me passed out on a beach in Greece  
With some people I can't name

Aye, nothing like some sunshine and white wine  
I haven't felt like this in a long time  
Last year was fucking up my psyche  
Don't wanna talk about it don't remind me

I want to go where no one knows me, keep it lowkey  
So far from home, and I don't think I'm going back

I can feel the sunrise on my face  
I don't think I've slept in a dozen days  
If you find me passed out on a beach in Greece  
With some people I can't name  
I been through some shit I don't want to say  
I deserve a hellbent holiday  
If you find me passed out on a beach in Greece  
Tell my momma I'm ok

I want to go  
Tell my momma I'm ok  
I want to go  
Tell my momma I'm ok

Out in Mykonos with sand between my toes  
Got me sippin' Ouzo but I think it's kinda gross  
Feeling like I'm Cousteau when I'm swimming off the coast  
Man I'm kind of toast, need another dose

I want to go where no one knows me, keep it lowkey  
So far from home, and I don't think I'm going back

I can feel the sunrise on my face  
I don't think I've slept in a dozen days  
If you find me passed out on a beach in Greece  
With some people I can't name  
I been through some shit I don't want to say  
I deserve a hellbent holiday  
If you find me passed out on a beach in Greece  
Tell my momma I'm ok

Sun kissed shores and coral caves  
My old life is miles away  
And is it still a holiday  
If I never come home?

Sun kissed shores and coral caves  
My old life is miles away  
And is it still a holiday  
If I never come home?

I want to go  
Tell my momma I'm ok  
I want to go

Tell my momma I'm ok
