Off My Mind

Aaron Taos

Well I don't know if you really mean it
Or if you're saying things before you think 'em through
So I'll go slow until you feel it
'Cause I'd rather play it safe then play it fool, oh, babe

Over and over in my thoughts
I can't get enough
Over and over keep on trying
I gotta make you mine
Over and over in my thoughts
Don't ever stop
Over and over I keep on trying
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind

I know it's hard to resist telling the truth but I've been burned bef
ore
When I showed my heart and I played my cards too soon
Lesson learned, now I know the rules
But I can't shake this feeling and it's got me up on the ceiling for
you

Over and over in my thoughts
I can't get enough
Over and over keep on trying
I gotta make you mine
Over and over in my thoughts
Don't ever stop
Over and over I keep on trying
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
Can't get you off my mind
